

REMARKS:

The Office action mailed March 21, 2005 has been received and carefully considered. Reconsideration of the application as amended hereby is respectfully requested.

The indication that Claims 1 to 13, 22 and 23 include allowable subject matter is noted with appreciation. The rejections of certain claims as indefinite have been considered and the claims have been amended to make them more definite. The withdrawn Claims 14 to 21 and 24 have been canceled. In view of the amendment, it is urged that all pending claims (Claims 1 to 13, 22 and 23) are now allowable.

The Examiner is invited to contact the undersigned by telephone, if prosecution of this application can be expedited thereby.

Respectfully Submitted,
